THE GOODMAN COLLECTION courtesy of the Lyme Historical Society assembled by members of the Lyme Art Association, Inc.

This collection reflects the diversity of interests explored by the early Lyme artists.

In 1927 the members of the Old Lyme Art Association presented this collection of their painting to Mr. and Mrs. William Owen Goodman in appreciation for their generous support.

In 1975 Mrs. Robert D. Graff of Far Hills, New Jersey, donated the collection to the Lyme Historical Society with the Lyme Art Association acting as trustee.
